

Action Between Meetings

- Tax Return was filed 1-26-09
- Newsletter went out to 844 people.
- E-News sent 3-14-09 & _____
- Web site domain name renewed for 5 years. Hosting is currently free, but it may increase to \$9 to \$10/month?
- Web site updates – not much response; however, the site is being well visited.
- Knife sales for Range & Wildlife Club – very well received. The club is very appreciative.
- As of 3-28-09 - we have 185 members!
- Prepared an invitation to current students explaining who we are and what we do and asked Kinucan to distribute via SR email – Kinucan stated that he did not have a distribution list just for ANRS students, but he would check with the IT people. Should we offer free membership to existing students? Bill needs to follow up before graduation.

Business Stuff

- Need a copy of the minutes
- Will we act on any proposed Constitution and By-Law changes?
- Will we pursue a Private Support Organization Agreement with Regents?
- Are we going to revise Scholarship Agreements?
- Are we going to meet with Kinucan and express our concerns and desires?
- Should we plan teleconferences instead of meeting in Alpine? Henry suggested Skype.
- Should we add constitution and by-laws to web site?
- Does anyone want pictures of Board members on the website?
- Steve Gist asked us to publicize the saddle announcement, we went ahead and publicized Ryon's signage plan
- Brad Carter had discussed a significant scholarship award – do we need to follow up on this – or leave it alone?
- We need to define our planned scope – what's our mission and how do we accomplish it? Do we want to get bigger, or do we back up to a small gathering once a year? If we stay the same or get bigger, we need folks who will be passionate about the association for more than one weekend a year.

General "To Do" Stuff

- Daila got the HOF pictures hung up at the RAS – we have a typo on Longbotham – Daila will fix
- Need HOF information for the website – the write-ups are completed, but we need pictures!
- Maybe some photos of the HOF for the website – some folks have probably never gone in there.
- We do not have (I do not have) a HOF write up for Guy Allen or Clay Cade – any ideas? Liz?
- Mrs. Longbotham's request for a display at the RAS
- It has been suggested that we carry more stuff for sale – watches, coffee mugs, sweatshirts, hoodies, etc - what do you think? However, there has been MINIMAL web store activity.
- E-news ideas – if Kerry can get us some information on the rodeo team, schedule, etc. – that would be a good E-News item? Kinucan to give us update on RAS in general. Other ideas?
- I know that our address list has some huge gaps in it – suggestions on getting names and addresses?
- Prepare spring newsletter and post card.

Donations

- Corporation donation solicitations – **When? Who? What?** Bill checked on the Abell-Hanger site – they are not receiving any applications currently. Donations may be very slim this year.
- ALL directors are needed to solicit for donations. Bill updated the website at <http://www.srsu.org/donors.htm> with the tiers, donation solicitation letter and donation form.
- We received one buckle donation just from the newsletter from Tommy Owens.
