Dear Mr. McAnally,

I would like to take this opportunity to thank you for the \$500 scholarship I was recently awarded. I will be completing my Bachelors of Science degree in Animal Production at Sul Ross State University this December.

When I started college in August of 2007 I intended only to get my Associates degree from Kilgore College; however it has been through the strong encouragement of friends and family and through the generous donations of people like you that I am completing my current degree.

I have always striven to succeed in what ever I set out to do, and not just to succeed but to excel. It is scholarships like this one that have helped me to do just that. Thank you for your support.

Sincerely,
Bethany Rudd
